

Color Swatch Book Instructions

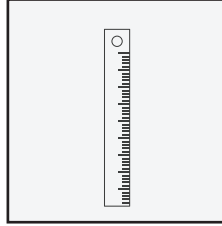

Supplies:

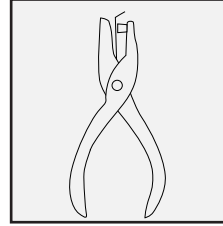

8.5"x11" Paper*

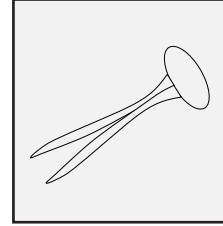

Craft Knife

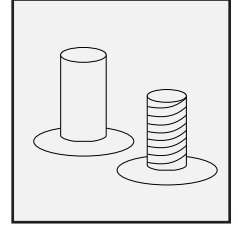

Ruler

Hole Puncher

Brad Fastener **OR** Screw & Post

*Use your favorite marker paper. Make sure it's compatible with your printer.

1. Print out pages 2 and 3 of this PDF onto your marker paper. Re-print page 3 as many times as needed for your color range. For all 132 markers, you'll need to print page 3 four times.

2. Fold each sheet individually. FOLD:

Fold in half lengthwise

Fold in half again

Reverse fold the last sheet so that it looks like an accordion

3. Cut each sheet individually. CUT:

While the paper is folded and each panel is stacked, cut along the dotted lines to create individual sheets for your booklet.

4. Repeat steps 2 and 3 for each of your printouts.

5. Color in your swatch and label it with a name and/or color number. Punch a hole in the swatch to use it for color matching.

6. Stack 2 or 3 sheets of paper at a time and punch a hole into the lower left hand corner.

7. Insert the brad or screw post into the pages of your book to bind them.
